**MARTHA BELL MILLER MEMORIAL SCHOLARSHIPS AWARDED TO SEE
ROCK CITY INC. PARTNERS**

LOOKOUT MOUNTAIN, Ga. See Rock City Inc. has awarded its annual Martha Bell Miller Memorial Scholarship to Keith Snider, as well as recognizing the previous year's winner, Morgan Taylor. Each award for \$2,000, renewable up to four years, is presented in honor and memory of Martha Bell Miller whose portrayal of the beloved "Mother Goose" at Rock City has left a notable legacy.

"I am extraordinarily grateful for Rock City's commitment to learning, innovation and the betterment of their partners, as evidenced in their gift to me," said Snider. He has completed an online art mentorship called Lucidpixul, taught by artist and illustrator Adam Duff. Snider has been involved in many art projects at Rock City and Blowing Springs Farm, including a recent commissioning to design a backdrop tiered mural for the Erlanger Children's Outpatient Center, as part of SRC's contribution to the outdoor space.

Snider has been with SRC as their innovation specialist for over four years and considers himself a visual storyteller first, and an artist second. He attended Delta State University with a major in graphic design and minor in drawing. He has four children with his wife Ashely, who is also an artist.

Morgan Taylor has worked in food service at Rock City for three years and is currently a junior at the University of Tennessee at Chattanooga studying business marketing. She currently serves as president of UTC's only national service sorority, Omega Phi Alpha, and she is a member of the American Marketing Association.

In 2009, the scholarship committee at SRC made the decision to name the award after Martha Bell Miller, a lifelong educator and promoter of character and integrity, who dedicated her professional life to education. She worked as Mother Goose from 1983 – 2005, but her love of Rock City began on opening day in 1932 when she was one of its first visitors. "Ma Goose" as she was affectionately called, had a love for learning and for Rock City, something the company hopes can be imitated and remembered well through this scholarship.

SRC Inc. is a hospitality and entertainment company that features the world-renowned Rock City Gardens high atop Lookout Mountain, just six miles from downtown Chattanooga, Tennessee. SRC strives to impress upon its partners the importance of learning, education, innovation and individual development.
